

Confirm-IT™

Never has there been such a right product at the right time. Today's times are tough and businesses need help now! **CONFIRM-IT** is the solution. **CONFIRM-IT** automatically and professionally reminds customers, patients, clients and more of their upcoming appointment. **CONFIRM-IT** can contact people via their home, business and/or cell phone and it can even leave a message on an answering machine, send an email or a text message! Your "No-Shows" will disappear, your productivity will increase and so will your business! Stop procrastinating and professionalize your business today with **CONFIRM-IT**.

CONFIRM-IT is an easy to use, robust appointment booking and confirmation system created for a wide array of businesses from medical facilities to repair companies, to salons to private clubs and more. A perfect tool for text messaging a customer in your waiting room when their oil change is finished or reminding a homeowner with a phone call of the annual furnace cleaning tomorrow. The applications are endless!

*If you already have a scheduling package or calendar, check out **Confirm-IT2**. Most likely it can interface with your existing scheduling package to provide many of the great features in Confirm-IT.*

Key Benefits At-A-Glance

- ✓ Improves Patient/Customer Satisfaction (stops overbooking)
- ✓ Increases Profitability by minimizing No-Shows
- ✓ Reduces Operating Costs
- ✓ Proactively Contacts Patients/Customers With Time-to-Make-an-Appointment Reminder
- ✓ Improves your **BOTTOM LINE!**
- ✓ Contacts *inactive* and *overdue* Patients/Customers
- ✓ Provides in depth reports to help you run your business better.
- ✓ Contacts Patients/Customers With "Outstanding Balance", "Call the Office Now", "Thank You", type Greetings
- ✓ Builds a database of your Patients/Customers
- ✓ Complements Your Existing Scheduling Software
- ✓ **Fantastic Payback Model**-Your payback is less than 1 year!

Confirm-IT maximizes employee productivity and reduces operating costs because your reminder and confirmation calls are automatically made while your employees' daily functions go uninterrupted.

Confirm-IT also allows you to eliminate the cost and labor associated with ineffective post cards often utilized for idle customers and appointment reminders. **Confirm-IT** truly is your own Virtual Assistant.

Because **Confirm-IT** reduces missed appointments and late arrivals, you'll find an increase in office efficiency while it easily pays for itself in months! **Confirm-IT** can also contact people you haven't seen for a while with a friendly reminder.

Confirm-IT's calendar is a straightforward, eye pleasing, functional approach to run your day-to day business with complete professionalism. And you can print each person's schedule for the day.

Confirm-IT will automatically remind your patients/customers of their appointment practically anywhere, anytime.

CONFIRM-IT tech info

Confirm-IT runs on it's own server equipment in the back room while the Confirm-IT software runs on a customer provided PC (Windows 2000, XP and Vista). And you can install Confirm-IT on as many PC's in your office as you want.
