

Confirm-IT™ Animal-Care

Hundreds of dollars are lost every week in the animal-care industry due to client "No-Shows" and late arrivals for appointments and **50%** of all "NO-Shows" occur because they are simply forgotten. **CONFIRM-IT** automatically and professionally reminds your customers and patients via their home, business and/or cell phone of their upcoming appointment virtually eliminating "No-Shows". **CONFIRM-IT** can even leave a message on an answering machine, send an email or text message a cell phone!
